Contain Mercury,

the authorities. Birmingham seems to be rapidly gaining an unenviable reputation for lawlessness and disorder.

as Mercury will surely destroy the places, sense of smell and completely derange the whole system when entering it through the mucus surfaces. Such articles should nover be used except on prescriptions from reputable physical states.

world-wide reputation for honesty fair dealing and financial responsibility, feels warranted in attaching its certificate of guaratee to its goods, such action furnishes the best possible evidence that the products are believed to be just what they are rep resented to be. Such confidence on the part of manufactures and venders naturally begets confidence in purchasers, and hence it is there has grown to be, all over the great coun-The second trial of Chas. Dilger, and such implicit confidence in that try, such an unprecedente demand for most popular liver, blood and remedy known as Dr. Pierce's Golden Medlical Discovery, as no other medicine has ever before met with. It is sold called Owensboro Progress at Jas- by druggists, under a positive guarantee from the Manufactures, that it will either benefit or cure in every case of disease for which it is recommended, or the money paid for it will be promptly refunded. It is manufactured by the World's Dispensary Medical Association, of Buffalo, N. Y., a well-known and finan-France this week and will be buried cially solid business corporation. No other responsible manufacturers of 1900 will not be counted amo once a candidate for Lieutenant gov. are also cured by this most wonderernor, died Saturday from a blow on ful blood-purifier and invigorating tonic.

A New Departure from all the o'd established conditions on which proprietary medicines World's Dispensary Medical Association, of Buffalo, N. Y, who having for many years observed the thousblood and lung diseases effected by Dr. Pierce's Golden Medical Discovery, now feel warranted in selling this wonderful medicine (as they are Journal, is still in bed from that doing through druggists) under a broken leg, but the pretty girls of positive quarantee that it will give satisfaction in every case, or money him that his younger brother, Ed, paid for it will be promptly refunded. "Golden Medical Discovery" cures all humors or impusities of the blood from whatever cause arising, as as the following will show:

"The editor, although suffering considerable pair,might be said to be in clover. He had 22 visitors, a good many of them young girls, one day last week and received five waiters and baskets containing delicacies. A broken leg is not so bad after all, especially when a person has been reneated by lingering coughs.

nied by lingering coughs. A Severe Test. When a manufacturer, from years of observation, has so completely satissied himself of the universal satisfaction given by his products, that he "Twenty-eight days fixt of the back and without change of place further than the body from the waist up could wiggle and twist, ought to have made us, it would seem, a mecker man than Moses, a more patient one than Job and a more pious man than Bro. Barnes. But has it? Ask the old woman and Dr. Peyton; we are not a competent witness."

Taction given by his products, that he feels fully warranted in selling them under a certificate of guarantee, it is very natural to believe that such a producer has implicit confidence in the merits of his goods, and that, too not without good reason. Such confidence is possessed by the World's Dispensary Medical Association, of fidence is possessed by the World's Dispensary Medical Association, of Buffalo, N. Y., in Dr. Pierce's Family Medicines, and hence his "Favorite Prescription" is sold by druggist, as no other medicine for similar puryears of age, and his case has puz-zled numerous physicians. He does it will be refunded. It cures all those well-known to most females who have attained womanhood, to need
